JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

FOREIGN AND INSULAR.

CURRENT QUARANTINE MEASURES.

[From the Veröffentlichungen des Kaiserlichen Gesundheitsamtes, Berlin, February 3 and 10, 1909]

CHOLERA.

DUTCH INDIES.—December 22. Quarantine measures against Singapore suspended.

EGYPT.—January 23. Cholera regulations in force against Tuti-corin.

RUSSIA.—January 16. The government of Taurida and the district of Tambov declared free from cholera. January 21. The Province of Nagasaki in Japan declared cholera infected.

TURKEY.—January 26. Measures against Taganrog suspended. Vessels from Russian ports of the Black Sea carrying emigrants or similar aggregations of men subject to medical inspection and disinfection at the lazaretto at Sinope or at Monastir-Aghzy (Kavak), said measures to take not more than twenty-four hours in application.

PLAGUE.

AUSTRIA.—January 20. Measures against arrivals from Beirut suspended by order of the maritime sanitary authorities at Trieste.

CHINA.—December 31. The German consul at Chefoo, acting in concert with the Chinese local authorities and the consular representatives of the treaty powers, has suspended control measures for German vessels arriving from Swatow, Tientsin, and Chinwangtao. The importation of articles previously forbidden is still prohibited.

DUTCH INDIES.—December 19. Quarantine measures against Kobe ordered.

TURKEY.—January 18. Measures against arrivals from Beirut suspended.

ALGERIA.

Deratization at Algiers—Rat fleas.
